2009 SART CONFERENCE

***March 25-27, 2009
Cocoa Beach, Florida***

S.A.R.T. Mission Statement:

SART is a multi-agency coordination group consisting of governmental and private entities dedicated to strengthening all-hazards disaster capabilities through partnerships. State preparedness, mitigation, planning, response, and recovery will be enhanced through collaborative efforts that ensure the safety and health of our food systems, agricultural industries, animal industries/companion animals and Florida's economy.

Who Should be Involved in your County SART?

County Emergency Managers

Agricultural Producers

Veterinarians

County Extension Agents

County Animal Control Officials

FSA County Executive Directors

DART Members

Agribusiness Leaders

Law Enforcement Officers

Public Health Workers

Animal Health Professionals
