Do you understand that completing a pre-registration form does not guarantee that your pet(s) will be accepted into the Pet Friendly Evacuation Shelter? Due to limited space and resources, only two (2) pets per residence, which have been pre-registered, will be allowed entry into the shelter on a first come, first served basis until capacity has been reached. Upon approval of this registration, you will receive a letter of acceptance into this pilot program.

Do you further understand the following:

- You must attach to this application proof of the following current vaccinations:

- In addition, all dogs over the age of 4 months must be currently licensed in Lafayette County and must wear their licenses in order to gain entry into the shelter. It is strongly recommended that cat owners place identification tags on their pets as well.
- Pets must have had an application of an appropriate flea/tick control product within 7 days prior to coming into the Pet Friendly Evacuation Shelter.
- Cages/crates must have secure doors and be large enough for the pet to stand and turn around in. Cat cages/crates must be large enough to contain food, water and a litter pan in addition to the cat.
- You must bring your pet's medications and enough pet food and water for 3 days. You will make sure all items are identified with your name and address.
