This handbook was developed by Misha N. Granado, MS as fulfillment of the Florida A&M University Summer Rotations Program. The project assigned by Dr. Lisa Conti, mentor, was to identify the Pet Friendly Shelters in the 67 counties of Florida. ***The Pets Evacuation and Transportation Standards Act of 2005*** was amended and passed by the House of Representatives on May 22, 2006 and was sent to the Senate.

Sec. 2 Standards for state and local emergency preparedness operational plans.

Section 613 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5196b) is amended:

- (1) by redesignating subsection (g) as subsection (h); and
- (2) by inserting after subsection (f) the following: (g) Standards for State and Local Emergency Preparedness Operational Plans – In approving standards for State and Local emergency preparedness operational plans pursuant to subsection 9b)(3), the Director shall ensure that such plans take into account the needs of individuals with household pets and service animals following a major disaster of emergency.

The purpose of this handbook is to provide information pertaining to:

- The Emergency Management Coordinators at the Regional and County levels
- The Regional Special Needs Coordinators
- Pet Friendly Shelters in each county (ascertained from county level emergency management coordinators)
- Pet Friendly Hotels in each county

The message that the Red Cross sends is "It is the individuals' responsibility to plan accordingly for their pets." Chris is responsible for Franklin, Liberty, Gadsden, Leon, Wakulla, Jefferson, Taylor and Madison counties. However due to funding and HR support (Big Bend Disaster) they can only establish pet friendly accommodations in one county per event.</p> <p>PET FRIENDLY HOTELS</p> <p>DAYS INN 44 Wood Worth Rd. Spoke with Chris (878-6080) at Red Cross who stated that there are not any pet friendly shelters identified, however if individuals arrive with pets to a shelter then they are referred to the location that has been allocated for pets as a last resort due to the event. The message that the Red Cross sends is "It is the individuals' responsibility to plan accordingly for their pets." Chris is responsible for Franklin, Liberty, Gadsden, Leon, Wakulla, Jefferson, Taylor and Madison counties. However due to funding and HR support (Big Bend Disaster) they can only establish pet friendly accommodations in one county per event.
