# K-9 FIRST RESPONDER & K-9 TACTICAL COMBAT CASUALTY CARE 3-DAY TRAINING

Expert instructors from K9 MEDIC™ deliver an intense, hands-on training format.

## K9 Handler / First Responder Advanced Scope

This program includes handling K-9 emergencies in both conventional and tactical environments, so you'll be prepared to respond wherever and whenever you need. Topics range from safe K-9 handling and comprehensive assessments to treating the most common emergencies such as heat stroke and bloat/GDV, and tactical injuries such as gunshot wounds. Advanced Scope includes fluid administration and handler assist skills.

## iNTENSIVE/High-Def Format

This format delivers a comprehensive hands-on and scenario-based experience, along with benefits of a diversified instructor cadre. In addition to the all-class practice exercises, this format delivers an additional four rotations of hands-on skills stations and solo/team scenarios using advanced veterinary mannikans. Each student receives significant instructor feedback and attention customized to their specific needs. Multi-disciplinary instructors often include a lead expert veterinarian, experienced tactical paramedic and field-savvy K-9 Handler.
